Girl Scouts seek donations for "Cup with Love Project"

The Cup with Love Project is a community service project to help local people impacted by cancer. On Friday, Aug. 27, local Girl Scouts will be hand painting mugs and assembling care packages for newly diagnosed cancer patients - men, women and children - of all ages. Community members have already generously donated nearly 100 tea cups and coffee mugs from their private collections! St. Joseph's Area Health Services will distribute the cups to patients. As this project grows, we hope to give packages to neighboring communities as well.

Girl Scouts are asking area businesses to contribute small gift items that will help cheer and inspire people who face a serious illness. Suggested items are coupons/gift certificates, small storybooks, bookmarks, stuffed animals, note cards, candy, stickers, baseball caps, charms/bracelets, small children's toys, ribbons, bows, cellophane gift bags, tissue paper, etc. Your help would be greatly appreciated! Both the Cup with Love Project and Girl Scouts are 501c3 non-profit organizations. To make a donation, please contact Shannon Geisen-Bolton at **732-3364 (work)** or email smgeisen@hotmail.com
