

## Chamber Visitor Center

- **Chamber Wayside Rest Complex** is an Official State Travel Information Center and an affiliate of the State Tourism Department (ExploreMinnesota Tourism)
- The Chamber Wayside Rest Complex represents a working partnership between the Park Rapids Lakes Area Chamber of Commerce, The MN Department of Transportation, Hubbard County and the City of Park Rapids.
- The Chamber is our area's one-stop resource center. We pride ourselves in knowing who, what, when, where, and why. If we do not have the answer, we usually know whom to ask.
- The Chamber Center is the "Front Door" information center for the community and area. The Chamber maintains business-to-business information, organizational and club lists, dining guide, community profile, city and county information, city and area maps, telephone directories, various statistical information, and a **master community calendar**.
- Members can display their **brochures and business cards** at the Chamber Resource/Visitor Center at no charge.
- **Lodging Connection Computer Kiosk** at the Visitor center is available 24 hours. The Kiosk was sponsored by the generosity of
- **Community Profile**
- The Chamber distributes **community profiles** to better sell our communities. This publication outlines specific features of the Park Rapids Lakes Area in regards to healthcare, education, growth factors, technology and much more.
